

SOCKTOBER 2021

Registering Your Child

A Step-By-Step Guide

STUDENT REGISTRATION

STEP 1

- First, you are required to create an account for security purposes. We cannot communicate with minors, so a parent/carer must manage the page
- This adds a layer of protection for the student

The screenshot shows the Socktober website registration page. At the top, there is a navigation bar with the Socktober logo, links for Home, About, School Resources, FAQ, and Contact Us, and a prominent green REGISTER button. The main heading is 'REGISTER' in large white letters on a red background. Below this is a tabbed interface with three tabs: 'YOUR DETAILS' (selected), 'YOUR CHILDREN'S DETAILS', and 'OPTIONAL DONATION'. The main content area is titled 'Register Your Child for Socktober 2021' with the subtext 'Sign up your child to join their school for Socktober'. There are two buttons: a red 'Create Account' button and a white 'Already have an Account' button. The 'Parent/Carer Details' form includes fields for First Name (Jane), Last Name (Parent), Email Address (janeparent@email.com), Password (masked with dots), Phone (0400000000), and Date of birth (06, 10, 1990). Below this is the 'Postal Address' field, which contains '1A SUNSET STRP, ATHELSTONE SA 5076' and a green checkmark, with a note '(enter address manually)'. At the bottom, there is a red 'NEXT STEP' button.

STEP 2

- The next step is to set up your child's page.
- First name and at least last initial are essential (helps to distinguish pages from each other)
- Full last name is not mandatory
- You can choose a display name to show on your child's page (rather than first + last name/initial)
- Begin typing the school to find it in the drop-down menu. The school must be registered to appear
- Parents can also choose a house/class/year group if it has been created
